

RAC MED

Medical Requirements for Aeronautical Technical Personnel

The Civil Aviation Authority of El Salvador (CAA), in accordance and compliance with the provisions of Article 7 paragraph 4 of the Organic Law of Civil Aviation, notifies all personnel involved that:

On 18 December 2023, the 1st Revision to RAC MED, "Medical Requirements for Aeronautical Technical Personnel," Edition 02 was approved. This regulation establishes processes and requirements that aeronautical technical personnel and all those individuals interested in carrying out civil aviation related activities must meet to be issued a medical certificate.

RAC MED Revision 01 to the 2nd Edition is of mandatory compliance from the date of its approval, and it can be obtained at the Technical Publications Department of the Civil Aviation Authority or found at the institution's website: www.aac.gob.sv
