

RAC RPAS

Remotely Piloted Aircraft System Regulation

The Civil Aviation Authority of El Salvador (CAA), in accordance and compliance with the provisions of Article 7 paragraph 4 of the Organic Law of Civil Aviation, notifies all personnel involved that:

RAC VANT (Unmanned Aerial Vehicles Regulation) changes its name to RAC RPAS; and that:

On 19 December 2023, RAC RPAS, "Remotely Piloted Aircraft System Regulation," Edition 00 was approved. This regulation establishes conditions for remotely piloted aircraft systems operations for civil use in Salvadoran airspace, and requirements for the commercialization of RPA (remotely piloted aircraft) in El Salvador.

RAC RPAS is of mandatory compliance from the date of its approval.

This regulation can be obtained at the Technical Publications Department of the Civil Aviation Authority or found at the institution's website: www.aac.gob.sv

This AIC replaces AIC A03/22
